

## A ONE-DAY COURSE

# THE FIELD OF PERCEPTION

## BEYOND OUR DAILY LIFE'S EXPERIENCES

---

**AIM** This workshop will enable you to explore the extra-ordinary abilities that each of us have but rarely use and harness for greater personal achievement, satisfaction and creativity.

**WHAT YOU CAN EXPECT** – describe and understand some of your enhanced personal/individual intuition and map your own energy field. Explore and manage your own energy field – Explore ways of enhancing the important aspects of your daily life and living – Verify the existence and of your ability to access an unseen but tangible field or force of vital energy.

**WHO SHOULD ATTEND** – this workshop is suitable for people who are beginning to ask questions of life and of themselves. For people who may have already started to read, and study the field of intuition, energy and healing. It is also suitable for people who are involved in writing on health and energy and the media.

**HOW YOU BENEFIT** – This work has the potential to help you by increasing your personal power and vitality and personal energy involved in intuition – increased perception beyond your ordinary daily life experiences. – improved perception for enhanced creativity to solve daily problems and create a new vision of life and living it to the full.

**WHAT WILL BE EXPLORED** • Intuition • Extra Sensory Perception [ESP]  
• Telepathy • Self Healing • Enhanced Focused Creativity • Clear Life Focus  
**Steven Warren**, a naturally gifted intuitive, has a reputation for talking in clear down to earth language about the often confusing, complex world of mind over matter or subtle energy and how it influences our daily lives. With a reputation for 'telling it how it is' Steven has presented his material before audiences and through radio and television as well as in newspapers, magazines and specialist journals.
